With a diverse and unique range of landscapes and facilities, Westway Sport & Fitness Centre is ideal for filming, as well as sporting, community, team building, corporate and other events.

CORPORATE TEAMBUILDING

We offer flexible team building packages, giving groups the opportunity to try their hand at climbing, tennis and more.

We can tailor a programme to meet your company's needs. It can be focused on team building, promoting trust, communication or building confidence. Or it can simply be a fun, social day – a way to say thank you to your staff.

Options include learning to scale up and abseil down the high walls, learning to boulder through some tricky problems, or even testing your team on the leap of faith.

There are meeting room facilities on site for those wishing to combine activities with a training sessions or seminar.
